Appendix C

DECLARATION (draft)
of
WORLD CITIZENSHIP
for the
CITY OF BEVERLY HILLS

WHEREAS,

Far too little is being done around the world for peace, development, human rights, and the environment (sic); and this failure is the great challenge of our time;

WHEREAS,

Full support for the principles and programs of the United Nations is the best way to promote humanity's objectives on a global scale;

WHEREAS,

America is legally bound to provide that support by obligations explicit and implicit in the Charter of the United Nations; and under Article VI of our own Constitution, Charter obligations are "the supreme law of the land," enforceable (sic) in our own courts;

NOW, THEREFORE, BE IT RESOLVED
BY THE COUNCIL
OF THE
CITY OF BEVERLY HILLS

That without diminishing its national loyalties, the City hereby joins its neighbor, the City of Los Angeles, in becoming a World City, of World Citizens, dedicated to world law and an appropriate allegiance to the world community as represented by the United Nations;

That accordingly the City hereby calls upon the government of the United States to fulfill its explicit legal obligation to refrain from war or threats of war, in accordance with the Charter of the United Nations, and to recognize its implicit obligations under the Charter to accept the authority of the World Court and conform substantially with all measures duly adopted by organs of the United Nations, particularly the recommendation that at least 1% of all income be contributed yearly to the U.N.;

That the City further demonstrates its new status of interdependence with mankind

- (1) By calling upon the Board of Education, other public agencies, churches, civic groups, and firms to do far more to promote public awareness of the inadequacy of U.S. support for the United Nations and the necessity of a stronger U.N.;
- (2) By urging significant financial contributions by the people of Beverly Hills to the United Nations Special Account, or to other U.N. agencies;
- (3) By inviting maximum display of the United Nations flag, to be flown with other flags at City Hall at all times;

- (4) By urging greater observance of United Nations Day;
- (5) By appointing a Beverly Hills World Citizenship Committee for implementing the above program and measures pursuant to it.

The foregoing is a draft copy. The Beverly Hills city council adopted a watered-down resolution based on this bold form of a declaration of world citizenship. See page 218, this book.
